

ABOUT EAGLE PRO CLEAN

In today's dynamic landscape, success depends on seamlessly integrating value, sustainability, and cleanliness into your operations. Our innovation-driven approach, supported by a dedicated team of professionals, empowers your success. Through tailored sustainability practices, flexible scheduling, and consistent quality service, at Eagle Pro Clean, we set ourselves apart. Every day, we pledge to prioritize your unique requirements, ensuring alignment with your business objectives

Janitorial and Disinfection Services

Enhance your sustainability goals with a trusted Green-Cleaning partner. Eagle Pro Clean, a U.S. Green Cleaning Council member, delivers innovative, sustainable solutions ensuring consistent value-added services.

Landscaping, Snow & Ice Removal

Achieve the peace of mind of your tenants by selecting a reliable grounds maintenance partner dedicated to providing quick response times, allowing your tenants to travel to and from the office safely.

HVAC and Mechanical Services

To optimize building performance and uphold air quality, we conduct holistic HVAC and filter maintenance services in accordance with ASHRAE and NAFA standards

Key Metrics

Driving our growth is an unwavering commitment to client satisfaction and relentless progress
